School Bus Driver Retires

Bus driver Bert Hites, retiring after ten years of picking up and delivering students of St. Peter's School, was given a royal farewell by the students and personnel of the school last Thursday afternoon.

Several leading citizens of the village and county were present to do honor to Bert. Sheriff Larson, Mayor Merrill Cunningham, and several more of the town's leading citizens took time out from their busy schedules to acknowledge Bert's conscientious service over the years.

Mr. and Mrs. Hites live on Route 3 near Antioch. They are considering moving to Florida for their retirement years.

At Thursday's party, Mr. Hites was presented with a fishing rod and a jacket by the students and personnel of the school. Father Henderson made the farewell speech, declaring that Bert was "the best bus driver in Illinois." And he had attained this perfection, said Fr. Henderson, because he took pride in his job, and in doing it to the best of his ability, a quality that was becoming a rare thing in these times.

Public Aid Rolls Drop In November

Public assistance rolls in Illinois declined by more than 2,000 persons in November, 1963. Harold O. Swank, director of the Illinois department of Public Aid, said that the reduction was chiefly in the General Assistance and the Aid to Dependent Children program.

Fund-Raising Projects Planned For Hospital

A building committee report highlighted the Jan. 14 meeting of the Countryside Hospital Association at the Lake Villa Grade School.

The committee reported that it had met with 11 doctors practicing in the four townships to be served by the hospital. A committee of four doctors was selected to study and evaluate hospital plans. Their study is expected to be completed within a week. The doctors' recommendations will be incorporated in the completed plans submitted to the hospital board for action.

Federal Men Check Into Rural Mail Box Damage

Inspectors from the U. S. Post Office Dept. have been in the Antioch area for several days investigating complaints of damage to mail boxes.

Board Member Sworn In

Mrs. Helen Kopriva was sworn in as a member of the Antioch Community High School's Board of Education at the Wednesday night meeting of the board.

Mrs. Kopriva's appointment filled the vacancy left by the death of Mrs. Lorraine Cheetham. Mrs. Kopriva will serve until the April election, when candidates may run for the remaining year of Mrs. Cheetham's term.

The board heard the report of the salary committee, composed of board members and teachers, and will set salaries for the 1964-65 school year at the February meeting.

The board approved a proposal of Nation Wide Mutual Insurance Co. to insure plate glass in the school building at a cost of \$142.31 per year.

Board members were taken on a tour of the building to inspect the effect of new (Continued on page 3)

Lake County had a total of 2,481 persons on Public Assistance rolls in November, for a total of \$121,624.00. In contrast, McHenry County had 611 on the rolls for a total of \$28,511.00, and populous Cook County had 270,062 people on Public Assistance for a total of \$14,676,000.00.

Over 100 cases of damage to mail boxes have been reported to the Antioch Post Office in the past weeks. The damaged boxes are on rural routes and in Oakwood Knolls.

Federal Post Office inspectors pointed out that punishment for in any way tampering with or damaging mail boxes carries a severe penalty.

The law covering damage to mail boxes reads, "Whoever willfully or maliciously injures, tears down or destroys any letter-box or other receptacle intended or used for the receipt of delivery of mail on any mail route, or breaks open the same or willfully or maliciously injures, defaces or destroys any mail deposited therein, shall be fined not more than \$1,000 or imprisoned not more than 3 years."

The punishment for tampering with, stealing or taking any mail from any authorized depository for mail is even stiffer—\$2,000 fine or 5 years imprisonment, or both. This applies to ANY mail, even a postcard.

The Postal Inspectors suggested that people could aid in the campaign against vandalism by being on the alert for persons who might be expected to commit such acts. "If you hear cars prowling subdivision roads late at night, check on them," the inspector said. "If they damage a box, try to get their license number, or a description of the car and report it."

Federal inspectors will continue to check in the area until culprits are caught or damage ceases.

Channel Lake To Vote Saturday On Tax Increase

Channel Lake voters will go to the polls next Saturday to decide whether or not the school will get a 20c raise in the educational tax.

The polls will be open from 12 noon to 7 p.m. at the Channel Lake School. The school at present has a 71c educational tax rate. If approved, the referendum will raise the rate to 91c maximum. The proposed raise would raise the taxes in the district 20c on \$100.00 of assessed valuation.

Losses Control, Ends Up In Field

George Bosnick, Rt. 2, Box 463, Antioch, and passenger, Jane Ludford, Rt. 1, Box 117, Antioch, were apparently injured after Bosnick lost control of the car south of the intersection of Route 21 and 173 last Monday afternoon and ended up in a field south of the Jedele & Cain building.

The Antioch Rescue Squad took Bosnick, 22 years old, to the Antioch Clinic after he complained that his leg was hurt. However, no injury was apparent. The young man lost a leg when hit by a car while walking on the highway about two years ago.

The car, traveling south on Route 21, left the road about 1 block south of the intersection, hit a culvert, and went up a bank, traveling about 220 feet, after leaving the road, according to Police Chief Walter Scott. Bosnick told Scott at the time of the accident that slippery pavement caused him to lose control. Scott said that the pavement was not slippery at the time. He later told Scott that his wheel dropped off the west shoulder of the pavement.

Scott said that a witness said Bosnick was going about 80 miles an hour when the accident happened.

No citation was issued, according to Chief Scott.

Thus, the tax increase would amount to \$2.00 on each \$1,000.00 of assessed valuation, or \$10.00 a year on a home valued at \$5,000.00.

The Board of Education of the school was unanimous in its decision to ask for the raise in the tax. Board President Elmer Eberman pointed out that it is at least 15 years since there has been an increase in the educational tax. The school will be operating in the red before the end of the year, according to board members. With expenses rising, say board members, the only prospect is for a larger deficit each year if the raise is not approved.

The proposed tax raise would bring in about \$10,000 in added revenue each year. Assessed valuation of the school district is 5 million dollars, in round figures. If approved, the additional tax would be levied in the next budget, and would not be received by the school until 1965.

In addition to the deficit, Principal Howard Scott stated that the school lacks money for many teaching aids. Schoolrooms, he said, are sorely lacking in up-to-date dictionaries and reference books. Although the library has a large supply of fiction, which has been donated, it is lacking in many books which could be valuable to the students. Additional audio visual material would also be valuable, he said. The school at present receives only free films. Many good ones could be rented or purchased if the school had additional money, he said.

Raises for teachers, and a music teacher were other needs for which the present budget is not sufficient according to Mr. Scott.

A meeting will be held in the Channel Lake gym at 7:30 p.m. Thursday to answer any questions voters may have on the proposed tax raise.

Jr. College Loses; Plan to Try Again

Although the village of Antioch approved the referendum for the establishment of a junior college in the county, the proposition was defeated by a margin of about 5-4.

The village of Antioch approved the referendum, 158 for and 145 against; Precinct

1 (Channel Lake) was 89 for, 154 against; Precinct 2 (Grass Lake School) 97 for, 153 against; Precinct 4 (Oakland School) 111 for, 118 against; Precinct 5 (Emmons School) 73 for, 118 against; Precinct 6 (Venetian Village) 94 for, 179 against; Precinct 7 (Lake Villa) 41 for, 65 against and

Precinct 8 (B. J. Hooper School) 75 for and 91 against.

The proposal received the most favorable votes in Warren Township and Libertyville, according to a spokesman at Dr. Petty's office, and received the most crushing defeat in Elmhurst and Waukegan. Waukegan defeated the referendum by a 3-2 vote.

Although balmy weather prevailed for the voting, only 20% of the voters went to the polls. Several judges of elections in various precincts commented on the high percentage of elderly people who cast votes.

Both the incorporated areas and the unincorporated areas defeated the junior college. It was necessary that it pass in both areas for the referendum to be approved. The total unofficial vote in the incorporated areas was 6,585 for, 7,717 against. In the unincorporated areas it was 2,390 for, 2,944 against.

Although the referendum was defeated on this first try, directors of the junior college association voted at a meeting Monday night to consider the possibility of presenting the referendum to the voters again. A committee from the community college association will meet with Dr. Petty to discuss the possibility of another referendum, perhaps including the whole county in the proposal this time.

The referendum asked the voters to approve a 20c per \$100 of assessed valuation levy for the purpose of establishing and maintaining a junior college in Lake County. The proposed junior college district excluded portions of Lake County from the district, among them Deerfield and portions of Barrington. The preliminary survey for the college recommended that the college be built near Grayslake, the geographical and population center of the district.

J. Ernest Brook, Antioch Bank President, Dies

J. Ernest Brook, one of Antioch's leading citizens since the early 1900's, died at 6:50 a.m. on Thursday, January 16, 1964, at the age of 87, in the Parkview Nursing Home in Zion.

Mr. Brook passed away after a two-year illness. He had been in the Nursing Home for about three months.

J. Ernest Brook was born March 7, 1876, near Burlington, Wis., on a farm owned by his parents, Edward and Elizabeth Brook. He attended Burlington High School, and the University of Wisconsin. He left his studies at the University to take charge

of the Brook State Bank in Antioch in 1897, when his father, then president of the Meinhardt Bank in Burlington, purchased the Antioch Bank. J. Ernest Brook had served as President of the bank in Antioch for over fifty years before his retirement two years ago.

Mr. Brook was a member of St. Ignatius Episcopal Church in Antioch, of Sequoit Masonic Lodge No. 827 A. F. & A. M., a charter and an hon-

orary member of the Antioch Lions Club, and had served as a trustee on the Hillside Cemetery Association for many years. He was preceded in death by his wife, Gertrude A. (nee Smart) on August 23, 1959. The Smart family were pioneer residents of the Antioch community. A sister, Mrs. Ida Spencer, passed away two years ago.

Survivors are one son, William Brook, now president of the State Bank of Antioch; one brother, E. Elmer Brook of Antioch; one sister, Mrs. Howard (Edith) Newell, of Burlington, Wis., and two grandchildren, Suraya and Ainsley Brook.

Funeral services were held at 11 a.m. on Saturday, Jan. 18, in the St. Ignatius Episcopal Church with the Rev. Theodore Bessette officiating. Burial was in Hillside Cemetery in Antioch.

S & L Assets Now 7 Million

Antioch Savings & Loan Association today reported an increase in total assets to \$7,539,956.91 as of December 31, 1963.

Frederick J. Walpole, Executive Vice President of Antioch Savings & Loan, said that this figure represents a 48% increase over total assets reported one year ago, and he attributed the institution's rapid growth to continued economic prosperity in the local community.

According to the institution's 1963 Annual Report, net savings gains recorded during the past year total \$2,130,634.84, increasing total savings to an all time high of \$6,199,699.32.

Antioch Savings & Loan also paid a record total dividend to savers of over \$225,000 during 1963 which was 63% above the total paid in 1962.

Total mortgage lending volume at Antioch Savings increased to over \$2,400,000 which is approximately 10% above the volume recorded in the previous year.

The Antioch Savings executive predicted a further increase in housing and home financing activities during 1964.

Expect Agreement Soon On Election

By Lou Durkin

House of Representative agreement on the legal mechanics of conducting the state-wide election of 1977 State Representatives in the November general election will be reached this week, House Majority Leader W. J. Murphy, of Antioch, predicted Tuesday.

Murphy made his prediction just before he planned to return to Springfield for renewed negotiations during the special session of the legislature called by Gov. Otto Kerner for the enactment of special election legislation.

Murphy, who operates a real estate and insurance business in Round Lake when not engaged in the legislature or as chairman of the state budgetary commission, returned to Lake County Monday to accept a special award for "contributions to community betterment" from the Waukegan-Lake County Board of Realtors.

"We should be able to adjourn the special session next week if the Senate concurs in the legislation we expect to agree on in the House during this week's session," Rep. Murphy said.

"In general," Murphy said, "we have agreed that the primary should be eliminated and the November candidates selected at a state convention in June."

"It is generally agreed that no more than 118 nominees should be named by each party," he added.

Cumulative voting would be eliminated under the general agreement already reached. (Continued on page 3)

Chamber Maps Plans For Coming Year

The new Board of Directors of the Antioch Chamber of Commerce elected officers and discussed their overall aims for the next year at a meeting last Thursday night at the community room of the Antioch Savings & Loan Assn.

Fred Walpole was elected president of the organization; John Romer, first vice president; John Dallman, second vice president, and Bette Meyer, secretary-treasurer.

Plans were made for the first annual dinner dance of the Chamber, to be held on February 5 at George Diamond's. Members of the Chamber and their guests will attend the affair.

Board members were in general agreement that one of the main aims of the Chamber for the coming year should be enlargement of the industrial section of the town.

Head Voters For Goldwater Group

Lake County Sheriff Charles E. Larson is a newly appointed member of the board of Voters for Goldwater, Boone, Lake and McHenry counties, comprising the 12th Congressional District.

Mr. and Mrs. William Brook of Antioch are community chairmen for Voters for the Antioch area.

Persons interested in joining Voters for Goldwater may telephone these volunteers, who hope to have 6,000 members in the district by spring.

Files Petition For State Nomination

Robert Coulson (R. Waukegan) filed nominating petitions Monday for re-election to the Illinois Senate, as State Senator for the 52nd District which encompasses Lake, McHenry, and Boone Counties. During the present session Senator Coulson has served as vice chairman of the committee on agriculture and member of the committees on Judicial Revision, Highways and traffic regulation, personnel and pensions, in addition to serving on the special committee to examine the operations of the Chicago Sanitary District.

School Board Members Are Taxpayers, Too

Voters in the Channel Lake School District will go to the polls Saturday to vote for or against a 20c raise in the educational tax.

The Board of Education of the school has faced a deficit every spring for the last few years. They've managed to "scrape through" the school year by borrowing from the building fund, a practice which is no longer possible under the new bookkeeping set-up.

Elmer Eberman, president of the school board, has stated that tax anticipation warrants will probably have to be issued this spring. The board expects to have a deficit of about \$1,800.00 by the time the school year ends.

The income of the school from the educational tax at the present time is about \$36,000.00 yearly. The 20c raise, if approved, and if the board were to levy for the full amount, would bring in about \$10,000.00 more. However, the board would not need to levy for the full 91c.

If voters approve the referendum, the school will not receive the income until 1965. The board would levy for the additional amount in its next budget, and it would appear on the 1965 tax bills.

By the time the school receives the benefit of the increased tax rate (if it passes) they will already have a sizeable deficit. Principal Howard Scott states that the school will not really feel the benefit of the increase until 1966 or 67.

In the meantime, of course, expenses will rise somewhat with the cost of living. Teachers must be given at least a token cost-of-living raise. And if the school is to compete for the services of competent teachers, salary schedules must be brought up to those offered by other schools.

Channel Lake School has a comparatively low tax rate and income. Although Grass Lake School levies 1.081 to Channel Lake School's 1.216, Grass Lake District has a 6 1/2 million dollar assessed valuation, compared to Channel Lake's 5 million. Rates of some of the other schools, and assessed valuations of the property in the district are: Antioch Grade School, 1.473 on 22 million dollars; Big Hollow, 1.543 on 8 million; Lotus School, 1.785 on 3 million, and Gavin School, 1.783 on 14 1/2 million.

The school board has not asked for the increase in the educational tax until they were convinced it was necessary. They are all taxpayers in the district, and will have to pay the increased rate right along with everyone else. It's obvious that they are convinced of the need for it, and they are in the best position to judge the need.

Your Governor Reports

by OTTO KERNER

Besides streamlining our network of state courts, the new judicial article of the Illinois Constitution made important changes in tenure and election procedures for judges.

The most significant provides that incumbent judges run, not against an opponent, but against their records. Whenever there is a vacancy on the bench, however, jurists will be nominated by party convention and elected in the normal way.

The move is designed to ensure that judges remain independent and free of partisan political pressure. Too often in the past, competent judges were swept out of office simply because the political party label under which they were elected happened to be temporarily in disfavor with the public.

Under the new system, incumbent judges who wish to stay in office must file a declaration of candidacy six months before their terms expire. Their names then will

appear on a separate ballot in the next election, without party designation. The ballot will ask only whether or not the judge should be retained. When a judge retires, dies or is defeated he will be replaced by party ballot at the next general election.

The new election and tenure procedures apply to all judges in the state's three courts—Supreme, Appellate and Circuit. They do not apply to Circuit Court magistrates, who are appointed.

All judges must devote full time to their judicial duties. Eventually all must be attorneys.

So now the village of Eastland, Texas, has decided to outlaw smoking. No more cigarettes will be sold in the village, and what's more, anyone caught smoking in public is liable to \$3000.00 fine or three years in jail. The residents will be allowed to smoke in their own homes, which is pretty nice of the authorities.

This sounds like a slight infringement of personal rights, but it does have its good side, even if you're inclined to view the report of the surgeon general without alarm. Just think, the people of Eastland will never again have their eyes assailed by the sight of a woman walking down the street with a cigarette hanging from her lips. Or driving, both hands busy with her task, with her eyes squinted to shut out the smoke curling from the cigarette clenched in the lovely mouth.

So you see, it's an ill wind that blows no good. By the way, I wonder if Eastland's prohibition extends to cigars and pipes? Now, there's a lovely picture. A delicate, beautifully groomed woman maneuvering a car with the damp, chewed putt of a cigar clenched in her teeth. Lung cancer might be better.

The surgeon general's report may lessen the cigarette business, but it surely opens a whole new field of products. What about lovely, jeweled snuff boxes? Or slender, attractively packaged plugs of chewing tobacco? Accom-

bly, something which has never been done.

The result of these changes is that Illinois will have fewer judges and magistrates, but they will be better qualified and will operate in a more efficient judicial framework. The new system, which came into existence Jan. 1, makes our state courts a model for the nation.

Students Speak On The Challenge Of Citizenship

Jeff Ryan was the first-place winner in the Voice of Democracy essay contest recently sponsored by the Lake Villa and Antioch chapters of the Veterans of Foreign Wars. Stanley Sutherland was second and Lloyd Pedersen third.

Subject of the essays was "The Challenge of Citizenship." The winners were selected from 71 entries submitted. The essays were handled by the government teachers, Mrs. Tulumello and Mr. McLean. They were judged by Mr. Corrigan, Miss Busch and Mr. Olson. They were graded for quality, content and originality.

Jeff Ryan's winning essay follows:

BARRIER TO FREEDOM
A wall rises in the middle of a city named Berlin. It is an imposing wall, consisting of only a few strands of wire in some places. Yet this wall and these strands are all that separate us from the enemy, a mortal enemy. This enemy has vowed its intention to kill us, to destroy our political system and our way of life, and to enslave all those who are not already within its grasp. It has attempted time after time to bury us with any weapons at hand—military, political, social, or economic. This enemy is communism.

Communism is a difficult enemy to fight. It camouflages its true nature beneath a variety of disguises. It may pretend to be the voice of the pacifist, the do-gooder. It may be the agitator, a violent troublemaker, a militant race group, a fighting minority. It sets friend against friend, neighbor against neighbor. It is powerful, well-equipped, well-organized, and dangerous. But it can be met and stopped.

What can we use to fight this enemy? The weapons are dispersed throughout America. They are in schools, in offices, in factories, and in homes. Together, they form the finest fighting machine in the world. These weapons are the people of America.

Americans must know these things in order to turn back the tide of communism. They must know what they are fighting—the way of life which crushes all things beneath it. They must know why they are fighting it—because it is trying to take over the whole world. They must know what they are fighting to preserve—the finest system of government the world has ever known, one which guarantees all men equal rights and freedoms.

This is not the only challenge which citizens must face today. There are others, a great many others. They are too numerous to name. But they are problems of the future—problems which must be dealt with now, by this generation of Americans.

Courthouse Notebook

The transition to the new judicial setup in Lake County as directed by the new judicial article in the Illinois Constitution has been reasonably smooth and efficient despite some hitherto unsuspected difficulties built into the article.

Much of the credit for the smooth changeover goes to Circuit Clerk Stephanie Sulthip who boosted the county's electric light bill considerably by working nights and Sundays to prepare the way for the changeover.

Mrs. Sulthip, or "Steve" as she is more widely known in Lake County, worked closely with Judge Thomas J. Moran before he moved from Circuit Judge to the Appellate bench, and with the present Chief Judge Glenn K. Seidenfeld in getting the county ready for the switch.

The possibility of confusion in making the judicial switch, a change which puts all courts under her jurisdiction, has probably saved "Steve" from opposition in the Republican primary in April since nobody in his right mind would want to go into this office cold during the transition period.

Although the judicial amendment has piled considerably more work on the Clerk of the Circuit Court, it has also made the office one of the most powerful politically because of the huge patronage list controlled by the Clerk.

This factor alone makes opposition in the primary extremely hazardous.

Politicians are watching closely to see what action if any Sheriff Charles Larson

The Antioch Township Library played hostess to NILA (Northern Illinois Library Association) Jan. 14th. There were nineteen present representing eight libraries. We discussed children's story hour as well as had a paper read on it and its functions. The meeting was enjoyable and informative to all.

The following books were presented to the library as memorial books:

Stong—The Amateur Scientist—Given in memory of Dr. Stanley Anderson by the 1962-63 7th Graders of the Antioch Grade School.

Carson—The Production Handbook—Given in memory of Edward Gressens by his wife, Mrs. Gressens.

Kittredge—Complete works of William Shakespeare, with photos of productions of theaters of England, such as Old Vic Co.—Given in memory of Lora Bacon by the Antioch Women's Club.

Lee—Boy's Life of John F. Kennedy with photos—in memory of Emil R. Lubkeman—given by Bob and Annette Lubkeman.

A contribution to our building fund was made by Mr. and Mrs. Ed Vos in memory of Mr. Emil R. Lubkeman.

A few of the new books which have been added to the library recently are as follows:

Cognat—Gauguin—His life and works.
Brecher—Consumers Union report on smoking and the public interest.

Slaughter—Upon this Rock, novel of Simon Peter.

Hobart—The Innocent Dreamers.

Gallico—Love, let Me Not Hunger.

Jenkins—A Fortune in Junk—Antiques hidden in the attic.

Wallent—Tenants of Moonbeam.

Graham—The Grove of Eagles.

Facts On Tire Wear

Tires will last some motorists up to twice as long as others. The reason is in the type of driving they do, roads and weather conditions.

If the well known rules for longer tire wear are observed: correct inflation, balance and alignment; avoidance of fast starts and stops and sharp cornering, then lesser known conditions which still affect wear drastically.

Road surface has a great deal to do with tire wear. Country gravel roads, for instance, cut normal tire life just about in half—a fact that may not surprise some farmers.

The best road surface is smooth asphalt. Using that surface as 100 per cent, coarse asphalt increases tire wear ten percent; concrete roads 30 percent; stone block roads 35 per cent and broken asphalt 45 per cent.

Heat is tire life's worst enemy and therefore wear from this source is greatest in Summer and least in Winter. Counting heat generated by speed as normal at 60 MPH, wear increases 34 per cent at 75 MPH and decreases 25 per cent at 40 MPH.

A modern automobile is a major investment for most of us. It is only common sense to treat that investment with the same consideration we would treat a like amount of cash if we were handling it constantly. It is far cheaper to keep it in top condition than to repair it when it breaks down; to care for it as you would most other possessions of similar worth.

DRY HEAT: WINTER'S SILENT VILLAIN

Are you plagued by dry nose and throat every winter, or by recurrent colds that seem to "hang on"?

The trouble may be no further away than the heating unit in your home.

Central heating systems literally bake indoor air to desert dryness, reducing the humidity in many instances to absolute zero. In this arid atmosphere, a basic defense mechanism in your system is slowed down, making colds easier to catch as well as harder to cure.

When you have a cold, the mucus membranes in your nose and throat produce added moist secretions to bathe the inflamed areas and drain away infectious debris. The dry air you breathe carries away much of this needed moisture, leaving the nose and throat congested and susceptible to reinfection.

If you don't have a cold, breathing dry air increases your chances of getting one by robbing your nose and throat of the moisture in its regular protective secretions. It's also guilty of the irritating dry tickle in the nose and throat that many persons experience in the winter.

Sad to say, dry air is a villain in numerous other complaints. Many persons with chronic inflammation of the bronchial tubes or with asthma become much worse in the overly dry atmosphere of a heated home. Teamed up with soap and water, dry air wreaks havoc with certain dry conditions of the skin—namely "winter itch."

Still another ill effect of dry air is the uncomfortable electric shocks you experience in winter when touching certain objects. This occurs because the friction of walking across a carpet generates static electricity. When the humidity is high, this static is grounded as it forms. When it is low, however, the static is not grounded but is discharged against the object you touch.

How can you beat the dry air villain this winter?

The most effective way is with a commercial humidifying unit that attaches to your furnace blower and controls the relative humidity through your entire home. Humidifiers are regulated by the outside temperature according to safe relative humidity levels established by the

National Warm Air Heating and Air Conditioning Association

For the many persons who find a humidifier prohibitive, small room steamers or even water boiled on a portable electric plate in every room throughout the house can offer a degree of relief.

When attempting these improvised methods, however, remember: Too much humidity can be as objectionable as too little. Here, the only humidity "regulator" is your own personal comfort.

Schedule Tryouts For New Play

Tryouts for the next play to be put on by the Palette, Masque and Lyre — "My Sister Eileen" — will be held next Monday, Jan. 29, at 8 p.m. at the theater on Main Street.

Lots of good parts are available, says Garnet Odden, publicity chairman for the play, and lots of other jobs, too. Anyone who longs for the glamor of participation in a theater group, but is shy about performing, will be welcomed with open arms to help with the multitudinous chores involved in putting on a play.

The regular meeting of the PM&L will be held at 8:30 p.m. on Sunday, January 26. Agnes Van Patten will direct "My Sister Eileen."

Grass Lake PTA Has Men's Night

It was Men's Night at the meeting of the Grass Lake PTA last Monday night. The film, "The Honkers," a movie about geese, was shown, and Jack Smith and Mrs. Daniel Shuttles, representatives of the proposed Fox Lake Valley Conservancy District, discussed the water pollution problem.

Officers for the evening were elected from among the men present. George Pierce served as president; Robert Flint, secretary; and Porter Larson, treasurer.

The new first grade teacher, Mrs. Bronstein, won the room count. A project committee was appointed, composed of Robert Flint, Mrs. Dollie Hailing and Barbara Lass. Also appointed was a nominating committee of Mrs. Jeri August and Mrs. Beverly Noxon.

Don't cuss the climate. It probably doesn't like you any better than you like it. — Don Marquis.

WOMEN'S GROUP PLANS BAKE SALE

The Co-operative Women's Group has rolled up its sleeves for the fifth year to plan a bigger and better rummage and bake sale for the benefit of the Countryside Hospital.

Twenty-one members of 12 local women's groups met at the Gustav Eckert home in Lake Villa for their first planning meeting of the year.

The benefit rummage and bake sale will be held on Friday, March 13 from 9 a.m. to 9 p.m. and on Saturday, March 14 from 9 a.m. to noon at the Lake Villa Grade School.

Donations of all usable new and used items may be deposited with members of participating clubs. Clothes hangers, bags and wrapping paper will also be needed. A lunch counter will be open. Donations of relishes, eggs, tuna fish, coffee and other lunch counter staples will be accepted also.

The next planning meeting is scheduled for Monday, Feb. 3, again at the Eckert residence. Representatives of women's clubs in Antioch, Avon, Grant and Lake Villa townships are invited to attend.

Women's Clubs represented at Monday's meeting included: Countryside Hospital Association, Chesney Shores, Crook Lake Oaks Auxiliary, Lake Villa Royal Neighbors Auxiliary, Round Lake Ladies Catholic Benevolent Association, West Milmore Women's Club, Fox Lake Women's Club, Deep Lake Women's Club, Chain O' Lakes Grandmothers Club, Lake Villa Women's Club, VFW Auxiliary of Lake Villa, and Fox Lake Hills Women's Auxiliary.

The High School PTA requested board members to plan the PTA program for April. Board members will discuss the school program etc.

The Board accepted the resignation of Mrs. Marilyn Olson, the Home Economics teacher, effective January 24. The board approved the hiring of Mrs. Barbara Samore to fill the vacancy. Mrs. Samore, a resident of Fox Lake, has taught at Grant High School.

The High School board voted to invite members of all the Boards of Education of the elementary school districts in the Antioch High School district to a dinner meeting, probably in March, to discuss common problems.

Expert Agreement.....

(continued from page 1) ed and special balloting will be provided along with special ballot boxes.

According to Murphy the major obstacle still remaining concerns the method of selecting delegates to the convention, although it is generally accepted that two delegates from each area will be named to the convention and that they will cast weighted votes in accordance with the votes cast in the areas they represent.

Selection of delegates by County Chairmen, Township chairmen, or in the case of Chicago, Ward Committees, is one plan being discussed.

Another plan would call for the election of delegates on the basis of existing representative districts.

"We have considered scores of proposals and have sifted them down to a few basic plans on which general agreement is possible," Murphy said.

"Unfortunately, in a purely political matter such as this, it is difficult to be completely objective since each side, Republican and Democrat, would like to strengthen their positions in the legislature and there is also the never-ending struggle between downstate and Cook County," Murphy explained.

"Downstate Republicans want to guard against Cook County, and particularly Chicago, gaining full control of the House, and the Democrats, of course, would love to extend their control beyond the city limits of Chicago so it would extend from the Wisconsin line to Cairo and from Lake Michigan to the Mississippi River."

The central themes controlling the give and take during the negotiating sessions are adequate minority party representation in the House, a hallmark of Illinois legislatures for many years, and a close balance between

party and region representation.

The legislature, acting under a mandate from a 1955 constitutional amendment, re-apportioned the state during the last session of the General Assembly, but the bill was vetoed by Gov. Kerner.

Gov. Kerner then appointed a 10 man commission with instructions to produce a re-districting plan, but the five Republicans and five Democrats after four months of wrangling failed to reach agreement thus throwing open the Pandora's Box of an at-large election.

In his veto message, Gov. Kerner criticized the legislature for failing to give Lake County two districts, but the commission was hung up on GOP insistence that Chicago should have only 21 districts, a drop of two districts.

This provision was included in the legislature's plan.

Married 35 Years Ago

Mr. and Mrs. Walter (Eleanor) Lindemann, 142 Timberlane Drive, Oakwood Knolls, celebrated their 35th wedding anniversary on Sunday, January 19, with a family party in their home. Present for the occasion were their son, Robert, of Park Forest, and their daughter, Arlene Hulse, of Addison, Ill., with the Lindemanns' four grandchildren. Other guests were Richard and Betty Lu Flynn, of Markham, with their four sons, and Mrs. Louise Bindi, Chicago.

The Lindemanns were married in Chicago, and moved to Antioch six years ago. Mr. Lindemann has worked for the CTA in Chicago for 36 years.

Candlelight Ceremony Unites Joanne Sisson, H. Skogstad

A candlelight ceremony last Saturday, January 18, united Joanne M. Sisson and Henry M. Skogstad, Jr., both of Antioch, in marriage.

The bride is the daughter of Mr. and Mrs. Victor A. Sisson, 339 Ida Ave. The groom is the son of Mr. and Mrs. Henry M. Skogstad, Sr., of Paddock Lake, Wis.

The bride was given away by her father in a ceremony at Trinity Evangelical Lutheran Church at Long Lake, with the Rev. Harold J. Knapp officiating.

The bride chose a sheath gown of silk-faced peau de sole with a portrait neckline, long bridesmaid sleeves and re-embroidered alencon lace trimming the fitted waistline and hemline. The detachable train was held at the waistline by two small self-bows. Her pillbox crown was trimmed with lace and pearls and held a butterfly veil. The bride's bouquet was a cascade of white roses combined with English-ivy.

Matron of honor was Mrs. Gerry (Carol) Cunningham, sister of the bride. Bridesmaids were Miss Merrilee Carlson, East Chain, Minn.; Mrs. Ronald (Karen) Paiser, Waukegan; Miss Carole Plotzke, Lake Villa; and Mrs. Vern (Sharon) Sisson, St. Paul, Minn.

The bride's attendants wore azalea pink chiffon dresses with long controlled skirts and wattle trains held at the back neckline with a self-bow. Their matching

pink hats were made of three roses, holding full silk illusion veils. They carried bouquets of variegated pink elegants in a teardrop formation.

Kathy and Karen Anderson of Antioch served as flower girls. Kevin Gallagher, Antioch, was ring bearer.

Ronald F. Paiser, Waukegan, was best man. Groomsmen were Kenneth Brennan, Twin Lakes, Wis.; Milton Ayers, Kenosha, Wis.; Vern Sisson, St. Paul, Minn., and Warren Buxton, Kansasville, Wis. Ushers were Dale Sisson, Glen Otfedahl and Gerry Cunningham, all of Antioch, and Raymond Isaac, Paddock Lake.

Special music was provided by Robert Seger, Fairmont, Minn., cousin of the bride.

A reception for 300 guests was held at the George Diamond Country Club. After a honeymoon trip to Las Vegas and parts of Utah and Colorado, Mr. and Mrs. Skogstad will be at home after February 1 at 928 Main St., in Antioch.

The bride attended East Chain High School, East Chain, Minn., Lutheran Bible Institute, Minneapolis, and Northern Illinois University at DeKalb. She was employed at Abbott Laboratories.

The groom attended Richmond - Burton Community High School in Richmond, Ill., and is a representative of Frostee-Sno Company.

Mr. and Mrs. Henry M. Skogstad, Jr.

Local Garden Club To Hear Speaker

Mr. Robert Schmidt of Salem, will address the Antioch Garden Club at their next regular meeting on his experience as an exchange student in Australia.

The meeting will start at 12:30 p.m. in the home of Mrs. Clarence Gibbons, Addison Lane, on Monday, Jan. 27. Mrs. Paul Dunlop and Mrs. C. Kientz will be co-hostesses for the day.

Mr. Schmidt lived with 26 different families while, in Australia, in order to become acquainted with farm life in that country and to help promote mutual understanding between our country and theirs.

Camping Club Meets Sunday

The Canvas Toppers Camping Club will have their monthly meeting at the Lake County Savings and Loan Building in Grayslake on Jan. 26, at 2:30 p.m. Final plans for the winter-camp-out will be made. A nature hike is being planned for the near future. A program is being planned, followed by coffee and. Members may bring another camping family if they wish.

Receives DAR Award

Miss Anita Daniels, daughter of Mr. and Mrs. Everett Daniels, of rural route, Salem, Wis., was selected by the faculty for the Good Citizen Award presented by the DAR to high school senior girls. Girls are chosen for dependability, service, leadership and patriotism. Anita will be eligible for state and national honors provided the questionnaire to be filled out by her is selected on a merit basis by the judges.

Anita has been active in Girl's Athletic Association, captain of cheer leaders, on the annual staff, a member of the pep club, and has taken an interest in all school activities.

Woman's Club Plans Benefit Fashion Show

Members and guests of the Antioch Woman's Club met at the Scout House last Monday for their annual pot-luck luncheon. Mrs. Larry Ryan was chairman of the hostess committee, with Mrs. Irving Elms, Mrs. John Vermeren, Mrs. Merrill Cunningham, Mrs. Howard Wells and Mrs. S. A. Bailey assisting.

During the business meeting, Mrs. Jerome Vogler, after a year as program chairman, asked to be replaced. Mrs. Leonard Roblin was elected to replace Mrs. Vogler. The American Home chairman's position was vacant because of the death of Mrs. Jerome Cheatham. Mrs. Frank Benes was appointed to the post.

Two new members, Mrs. David Fitzgerald and Mrs. James Carlson, were admitted to the club.

The Antioch Woman's Club will sponsor the collection for the March of Dimes at the benefit bowling tournament to be held at the Antioch Bowl Sunday, January 26. Mrs. Bernard Osmond and Mrs. Charles Solar will be in charge.

A number of projects for the benefit of Countryside Hospital were discussed. The Christmas bakery sale raised \$52.00 for the fund. A card party held December 24 at the home of Mrs. John Wiecek, under the auspices of the Fox River Springs subdivision, netted \$86.25.

A fashion show, "History of Fashions" featuring Mrs. James McMillen's dolls and models, will be held March 30 at St. Peter's Youth Center. Proceeds of the show and dessert luncheon will go to the Hospital Fund. Mrs. McMillen and Mrs. Frank Benes are co-chairmen of the fashions for the show, and Mrs. Walter Mozal will be in charge of refreshments.

With business disposed of, the ladies broke up into six discussion groups at as many tables. Mrs. Norman Jedele was in charge of a cook's discussion; Mrs. William Bar-kow, knitting and needle-point; Mrs. Earl Hayes, gardens; Mrs. James McMillen, bridge; Mrs. Clarence Spiering, travel, and Mrs. John Wiecek, a hobby table displaying salt and pepper shakers. Prizewinners at the various tables were Mrs. Joseph Horton, Mrs. Alma Bob-zein, Mrs. Florence Baer, Mrs. William Brook, Mrs. Robert Liess and Mrs. William Neubauer, a guest.

Church Holds Meet

Returns from Hospital

Patty Ross, daughter of Mr. and Mrs. Robert Gross of Grass Lake Road, returned on January 9, from Victory Memorial Hospital, where she had gone for various tests, also minor surgery.

Mr. and Mrs. Jerry Hart and children of 33 First Ave., California Subd., Lake Marie, returned recently from a trip to Peoria, Ill., where they visited with Mrs. Hart's parents.

Congratulations

Mr. and Mrs. Leslie Palmer of North Avenue are proud grandparents of a baby boy born to Mr. and Mrs. Wayne Palmer, who lives on Orchard St. The baby was born at Victory Memorial Hospital on January 2, weighing 9 lbs. 114 ounces.

Unusual Pet

Mr. and Mrs. Fred Peterson, 517 Maplewood Drive, Oakwood Knolls, have a Mynna bird that is 3 years old. "Charlie" comes from India, sleeps in a paper bag every night, and mimics Mrs. Peterson. When there is a noisy card game, Charlie says, "Want to sleep—good night!"

Ladies Club Meets

The Oakwood Knolls Ladies Club met in the Arthur Letkey home with 5 ladies present. The evening was spent socially. Refreshments were served.

Still Hospitalized

Mr. Herman Behm of 141 Oakwood Drive, who was seriously injured in a car accident on December 4, is still in the hospital. In fact his wife said he will be there for some time, although he is improving daily. Those who care to may send cards to this address: Kenosha Memorial Hospital, Room 252A.

Entertain Guests

Mr. and Mrs. Vincent Nauda of Depot St. recently entertained dinner guests in their home. There are looking forward to being grandparents some time in July. Their son, Vince, is married to the former Lione Cribb.

Mr. and Mrs. Feitlich, parents of Mrs. Ernest Ott of Felter's Subd., and Mr. Ray Marro of Franklin Park, finance of Miss Lynn Ott, were dinner guests recently in the Ott home.

Has First Plane Ride

Mr. and Mrs. Seth Mark of Helen Drive, Lake Villa, returned recently from a trip to California, where they attended the wedding of Mrs. Mark's niece. This was the first trip by plane, for Mr. Mark.

Helpful Hint

Instead of sending your "goodies" on one of your good plates, which usually gets misplaced, place aluminum foil on a record that is of no use. This makes a very attractive plate. Incidentally, if any one has any extra "old records", please telephone me. Thank you.

Attend Fabulous Party

Dr. and Mrs. Richard Carlucci of Highland Ave., recently attended a party hosted by James Scully, son of Mr. and Mrs. Anthony Scully. James resides at one of the Lake Shore Apartments in Chicago.

Two of the many celebrities in attendance were Disc Jockey, on Radio Station WLS, Ron Riley and Clarke Webber.

Home From Vacation

Mr. and Mrs. Robert F. Beever and children of 220 7th Ave., California Subd., Lake Marie, recently returned

from a trip to Largo, Fla. There they visited with Mr. and Mrs. James Beever, Marie's parents. They also visited with Mr. Beever's cousins, Mr. and Mrs. Joseph Haisman who live in Lisle, Ill.

Home From Hospital

Mr. Louis Behrendt, father of Mrs. Charles Molerdirk of 216 7th Ave., returned recently from Downey Veterans Hospital.

Congratulations

Mr. and Mrs. John Weldin are proud parents of a baby girl born on January 4 at Victory Memorial Hospital. Robin Lee weighed 7 pounds and 8 ounces. She has a sister, Wendy, who is 19 months old. Mrs. Weldin and her family make their home with her parents, Mr. and Mrs. Robert Krieger of Lake Catherine. Mr. Weldin is in the Marines, stationed presently at Concord, Calif., where he is a guard at the Naval Weapon Station. They are all looking forward to his coming home some time in May.

New Business

Victor B. Lubkeman of 916 David St. has his own business now. It is known as the Antioch Excavators. His phone number is 395-1818. His wife, Judy, has had her hands full, as their three children had the measles, then got the chicken pox. Their ages are 2, 3 and 6.

In a Car Accident

Mrs. Estelle Gatch of 92 Lakeside Drive in Oakwood Knolls, was in a car accident on January 12 on Augusta and Kennedy Highway. She is in the Hennrotin Hospital on Oak and LaSalle, Chicago. Among her injuries, she has five ribs broken. Also injured in the accident were her little grandchildren.

On Vacation

Mrs. Myrtle Stowe, who makes her home with Mr. and Mrs. R. Stowe of Depot St., has gone to Salt Lake City, Utah, where she is visiting with her daughter and son-in-law, Mr. and Mrs. George Stober and family. They moved there recently from Waukegan. Mrs. Stowe made the trip by jet. It made it very exciting as this was her first plane ride.

Celebrate 11th Anniversary

Mr. and Mrs. Russell Stowe celebrated their anniversary on January 10.

An Experience

As Mr. and Mrs. Fred Peterson of 517 Maplewood Dr., Oakwood Knolls, were driving on Route 173, 3 miles east of Rte. 83, they saw 4 deer running across the highway.

Card Party for Order of Martha

There will be a card party for the Order of Martha, St. Anthony Household at 8 p.m. on February 5, at the Antioch Savings and Loan Building Community Hall. This is a benefit for the Catholic Church Extension Missions. Mrs. Herman Rehberg is chairman for this affair. Everyone is welcome. Refreshments will be served after the games.

NEW READERS FOR CHRISTIAN SCIENCE

New readers assumed the duties of their office at First Church of Christ, Scientist, Antioch starting with Sunday morning service, January 19. Edwin W. Olsen, Antioch, is the first reader and Mrs. Frances J. Wells of Trevor, Wis., is second reader. They will serve a period of three years.

DEATH NOTICES

WALTER R. SELTER

Mr. Walter R. Selter, 71 years old of Grass Lake near Antioch, passed away at 2:40 a.m. on Friday, Jan. 17th, at Victory Memorial Hospital after a two year illness. He was born February 10, 1892, in Antioch Township, the son of Robert and Ella Selter, and had lived in the township all of his life. He held membership in Sequoit Masonic Lodge No. 827 A. F. & A. M. at Antioch. Mr. Selter had worked for 33 years as a parts man for the Ford Garage in Antioch.

Survivors are one daughter, Mrs. Melville (Roberta) Knirsch, Antioch, and one grandson, James Robert Knirsch, Antioch. His wife, Mabel (nee Graves) Selter passed away on Sept. 7, 1956. Funeral services were held at 3:00 p.m. on Saturday, Jan. 18, at the Strang Funeral Home in Antioch with the Sequoit Masonic Lodge having charge of the service. Interment was private.

Revival At Church

The Billy Graham Film, "Decade of Decision," will be shown at the Fox Lake Church of the Nazarene, located at 1801 6th Ave., Wildwood Subdivision, which is about 1/2 mile south of Grass Lake Road, 7:30 Saturday evening, January 25.

This is a film which gives some of the background of the beginning of the Billy Graham evangelistic work.

Monday night will be the beginning of a Youth Revival sponsored by the North Zone of the Chicago Central District of The Church of the Nazarene. This service will be held in the auditorium of the Lotus School at 7:30 p.m. January 27th. Also, January 28th, at the Sunday morning and evening services, Rev. Pegler, who is an outstanding interdenominational camp meeting speaker, will be speaking at these two services.

The schedule of Sunday services at the Fox Lake Church of the Nazarene is: Sunday School—9:30 a.m.; Worship Serv.—10:30 a.m.; Evening Serv.—7:30 p.m. Pastor Aldor Peterson extends a cordial invitation to the public to attend these services. For further information regarding the services or transportation, call 395-2039, or 395-2084.

LAKESIDE REBEKAH LODGE NEWS

By Del Jahnke

Mrs. Eldon Gordon, Mrs. Clarence Larson, Miss Evelyn Johnson, Mrs. Harold Ellis and Mrs. Clarence Perkins of the Lakeside Rebekah Lodge, Antioch, attended the installation of officers of the Waukegan Rebekah Lodge, on Tuesday, January 14th. Mrs. William Eustace was installed as Noble Grand, and Mrs. Reuben Rode as Vice Grand.

On Wednesday, January 15, Mrs. Harold Ellis was installed as Noble Grand of the Lakeside Lodge at the Antioch American Legion Hall. Her other officers are: Vice Grand, Mrs. Clarence Larson; Recording Secretary, Mrs. Arland Clark; Financial Secretary, Mrs. Eldon Gordon; Treasurer, Mrs. Anton Johnson; Warden, Mrs. Charles Ferris; Conductor, Mrs. Earl Horton; Chaplain, Miss Evelyn Johnson; Musician, Mrs. Deborah Van Patten; Right Supporter of Noble Grand, Mrs. Lillian Hand; Left Supporter of Noble Grand, Mrs. Frieda Wertz; Right Supporter to Vice Grand, Mrs. Clarence Perkins; Left Supporter to Vice Grand, Mrs. Ralph Fields; Inside Guardian, Mrs. Lorna Buchert; Outside Guardian, Mr. Clarence Perkins; Junior Past Noble Grand, Mrs. John Hagen. Mrs. W. E. Davison, Waukegan, District Deputy President, was the installing officer; Mrs. Mildred Black, Highwood, State President of the Rebekah Assembly of Illinois, was installing marshal. Other installing officers were Miss Verna Hoberger, Waukegan; Mrs. Genevieve Woods, Evanston; Mrs. Mabel Bachman, Evanston; Mrs. Violet Kraepplin, Crystal Lake; and Mrs. Viola Vickery, Libertyville.

The flag was presented by Master Donald Larson, son of Mrs. Clarence Larson. Mrs. Anton Johnson gave a talk on the "International Peace Gardens." Refreshments were served by Mrs. Clarence Larson, Mrs. G. Haisma, Mrs. Eldon Gordon and their daughters.

On Thursday, Jan. 16, Mrs. Marie Hellberg, Mrs. Harold Ellis, Mrs. Clarence Larson, Miss Zella Larson, Miss Evelyn Johnson and Mrs. Eldon Gordon, attended the installation of officers at the Libertyville Rebekah Lodge. Mrs. Viola Vickery was installed as Noble Grand and Mrs. Abby Haskins as Vice Grand.

Mrs. Roy Palmer, of the Lakeside Rebekah Lodge, is ill and in the Lake County General Hospital of Waukegan, and would appreciate cards and visitors.

If a scolding wife lost her tongue, her speechless husband would wither from boredom.

HOMEMAKERS HOLD TEA

118 new members, their sponsors and all Megaron members of Lake County Homemakers Extension Association were entertained at the Membership Tea, on Jan. 22 at the Fairgrounds auditorium.

A committee under the di-

rection of Mrs. Vincent Stonis, Antioch, planned the tea with a Hawaiian theme.

An initiation ceremony for new members was held. Mrs. Helen Volk, County Home Adviser, explained the work of the U. of Illinois Extension Service for Homemakers' Units in Lake County.

Dry clothes all year long with Gas for the cost of drying only three months with other automatics

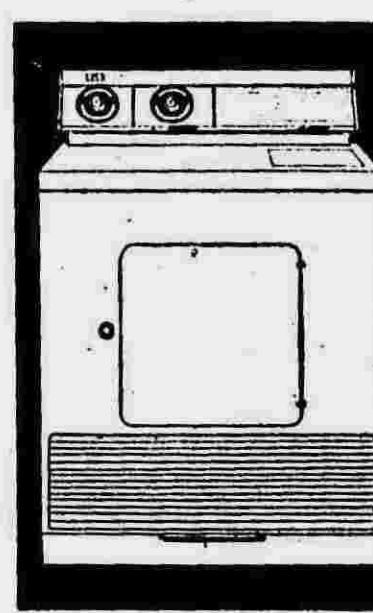

Any way you look at it, Gas dries best for less

The average family saves nearly \$20 a year by having a gas dryer instead of any other automatic. In 10 years (the average life of a clothes dryer) you've saved enough to pay for your gas dryer.

With gas, your clothes dry fast, come out soft and sweet-smelling. There's no dry baking action to set wrinkles. And you don't have to invest in costly heavy-duty wiring to operate your gas dryer.

So don't be fooled by "special" price offers on other automatic dryers. They can't begin to equal the long-term savings and satisfaction that come with owning a modern, dependable gas dryer.

See the new gas dryers now on display at your appliance dealer's or at your nearby Northern Illinois Gas Company showroom.

Freshness Is More Than A Word At Jewel!

Freshness Is More Than A Word At Jewel!

Sequoits Stop Wauconda, Drop One To Grayslake

The whistles of the officials at Friday night's game between Antioch and Wauconda practically drowned out the roar of the crowd as the Sequoits upset the Bulldogs 83 to 73 at Antioch. The loss dropped Wauconda into second place in the standings behind Grant and Lake Forest.

Seventy-three violations were whistled in the contest and nine players left the game via the foul route, five from Antioch and four from Wauconda.

The score was knotted at 12 all at the end of the first quarter, but the Sequoits got rolling in the second period and dumped in 30 points to lead at halftime 42 to 29.

The Bulldogs bounced back in the third quarter, scoring 28 points with guard Don Miller leading the way. Wauconda had pulled to within 2 points at the start of the final stanza with the score-board reading 50 to 57.

Wauconda pulled even and then went into the lead by one point early in the fourth quarter before the Sequoits got their balance again and outpointed their foes 24 to 16 for the period.

Vic Rogers led in scoring and rebounding for the Sequoits, hitting for 20 points and grabbing 12 rebounds. John Lear followed with 15 points.

Don Miller led Wauconda and took game honors with 12 baskets and 8 free throws for 32 points. High scoring Mike Freund had 18 points when he finally fouled out of the contest.

Antioch hit a respectable 40% from the field, cashing 28 of 71 attempts. From the free throw line the Sequoits hit 27 of 45 to 23 of 53 for Wauconda.

Coach Roger Andrews

played practically his whole bench as Bernie Smith, Jeff Gates, Bob Schmitz, Bob Olschlag and Wally Henning all fouled out. The Sequoits out-rebounded Wauconda 56 to 38.

DROP CLOSE ONE TO GRAYSLAKE

Saturday night the Sequoits came up three points short and lost to Grayslake 55 to 52 on the victors' court. The Sequoits out-scored the Rams from the field 25 to 21 but lost it at the free throw line, getting only two of six attempts to 13 of 24 tries for Grayslake.

Tied 12 to 12 at the first quarter mark the Sequoits held a slim 4 point advantage at the half, 29 to 25. The Rams reduced it to 3 points at the end of the third quarter, 44 to 41.

John Nesheim of Grayslake tied the score with a little over three minutes remaining and then put them in front to stay a few moments later 52 to 50.

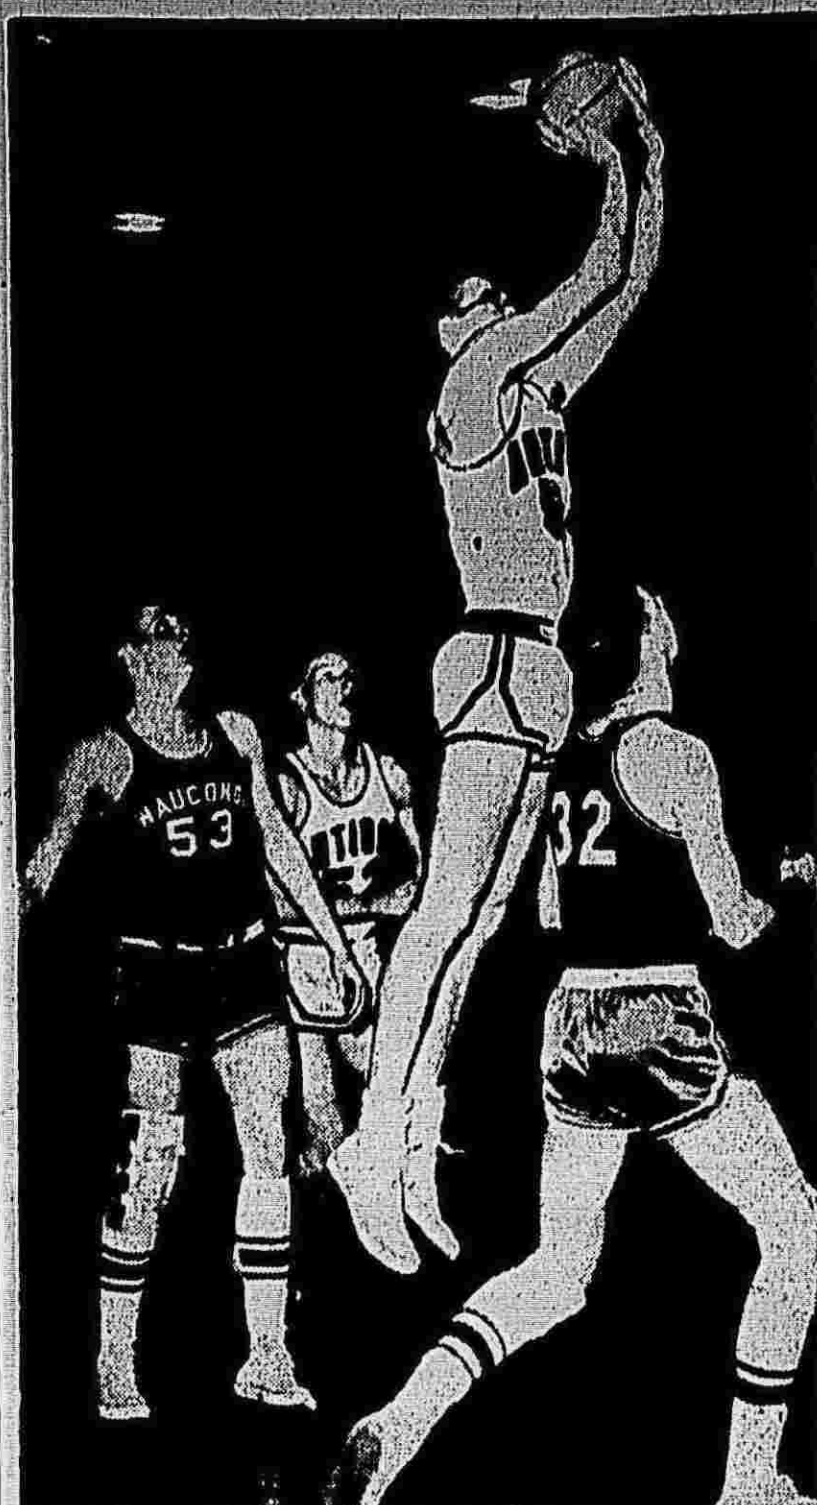

Grayslake went into a stall with some two minutes left and two free throws by Bob Caldwell in the closing seconds put the game out of reach.

Ed Matejka led the Sequoits in the scoring column with 15 points followed by Bernie Smith with 13. Bob Caldwell led the Rams with 15 points.

Antioch goes to Lake Forest for a game with the league's co-leader. Lake Forest is tied with Grant in the standings.

Salem Wins Number 10

By John Hansen

The Salem Falcons ran up win number ten as they romped over Southeastern Badger Conference foe Burlington St. Mary's, 71-34. The Falcons were without the services of Joe Flaschner who has a foot injury. Jim Herda took his place and filled it well. Herda and Hofer led Salem with 12 points each. Hofer played a little more than 2 quarters. Close behind was reserve Mark Olsen who sank 5 long set shots and added a free throw for 11 points. Bob Fait scored 7 for the Hilltoppers. The outcome was never in doubt as the Falcons completely swamped the visitors.

Jim Herda started things rolling as he canned 4 long shots from the side. Bob Hofer and Lyle Foulke both had two buckets to push the Falcons ahead 16-7.

The second quarter saw the Falcons hold St. Mary's scoreless for the first 7 minutes, then with the score 20-7 the Hilltoppers scored 2 quick baskets and a free-throw. Coach Dorm Grams'

league leading Falcons left the court with a 31-12 advantage. Glen Muehlenbeck and Ron Weil scored 5 and 4 points respectively in the quarter.

St. Mary's was held scoreless for a three minute stretch in the third quarter while the Falcons were racking up 13 points. After St. Mary's scored to make it 31-14 Bob Hofer popped in two baskets to push the lead to 35-14. The Falcons' captain then sat out the rest of the game. The Hilltoppers scored twice and it was 37-18 with 6:32 left. The next time they scored the score was 50-18. Mark Olsen swished 3 set shots over the SM zone to pace the Salem surge. St. Mary's entered the fourth quarter behind hopelessly, 54-23.

An all-reserve lineup played the fourth quarter for Salem and came out on top 17-11. Olsen scored 5 points in the quarter.

Coach Rodger Terry's B team won again, posting a 53-31 win.

Falcon Matmen Still Unbeaten

By John Hansen

The wrestlers of Salem Central remained unbeaten through eight matches as they polished off Lake Geneva Badgers 28-18. The Falcons, who received honorable mention in the WIAA wrestling ratings are now preparing for the Kenosha Red Devils January 22 at Salem.

The Badgers rallied midway through the match but wins by Wayne Seitz, Ron Gilmore, and Denny Remus overcame the rally.

Three Falcons scored pins, Jim Stalnack, Ron Gilmore, and John Hansen. Hansen's was the quickest. He pinned his opponent in 1:28.

95—Bill Benkstein, SC, outpointed Plantino, 6-4.

Benefit Match On Sunday At Antioch Bowl

Antioch bowling fans will have a chance to see some of the best bowlers in the area fight it out on the lanes when the Old Fitzgerald team meets the Antioch All-Stars at the Antioch Bowl at 1:30 p.m. next Sunday, Jan. 28.

The match game, which has become an annual event, is for the benefit of the March of Dimes. The teams will bowl a three-game match.

The Old Fitzgerald team are winners of the State and ABC Championships for the 62-63 season, and represented the U. S. in Inter-American sports in Mexico last summer.

Personnel of the Old Fitzgerald is the same as last year. Les Zikes, Jr., recently rolled a 716 series in the Chicago Classic League, with games of 258-248-211. Harry Lippe and Ed Kawolice, Old Fitzgerald teammates, won the Chicago doubles championship this year with a 1311 score. Lippe rolled a 657 series, Kawolice a 654.

Otto Niehaus is familiar to Antioch bowlers after his several appearances with the

team here in recent years.

Jim Stefanich is the baby of the team, 21 years old. Jim has proven his metal on the lanes with two years of top bowling on the Old Fitzgerald team.

Trying to defeat this top Chicago team will be the five Antioch Major League bowlers with the highest averages. Leading the league is Dick Baker, the son of veteran Verne Baker, with a 202 average. Dick shot a 300 game in sanctioned bowling while with the army in Germany.

George Sargent, another bowler with a perfect game to his credit, is second with a 194 average. George will be competing if he returns from the Texas tournament in time for the match.

Bob Platt, 193 average, was a member of the All-Star team last year. Truman Gerretsen, 191, has acquitted himself honorably in several of the matches. Joe Stenbenz, 191, is also a veteran of past All-Star teams.

Ray Horan and Chuck

THE ANTIOCH NEWS 7 THURSDAY, JANUARY 23, 1964

Moran will serve as alternates. Ray has a 190 average, Chuck 188.

Before the match between the Old Fitzgerald team and the All-Stars, the top bowlers in the Junior League will meet their Waukegan counterparts from Bertrand's Bowling Lanes in a match. The Antioch Juniors will be Les Miller, with a 159 average, who rolled a 612 series in league last week; Dale Crandall, 151; Barbara Casella, 156; Roy Miller, 160; and Bob Lenczewski, 182. Bob had a 610 series last week.

Boating Classes Move To McHenry

For fifty years the only aim of the United States Power Squadron has been to teach Safe Boating.

The Chain O' Lakes Power Squadron, the local unit of the United States Power Squadron, has been putting on free classes in Fox Lake, starting February 4, at 8 p.m. at McHenry High School, the Chain O' Lakes Squadron will put on the first of a series of lectures.

Some of the subjects covered in these lectures are: Rules of the Road, Aids to Navigation, Small Boat Handling, and others.

Louis Rogers of Woodbine Ave. was injured in an auto accident enroute home from work last week. Mr. Rogers is recovering in Burlington Hospital.

Mr. Fred Liebert of Cox's Corners is a patient in St. Theresa Hospital for observation and the treatment of two slipped discs.

The grade school gym is now open on Tuesday evenings for high school boys and men in the area. It is also open on Sunday afternoon for all the men and boys in the district. A small fee is charged to cover the cost of maintenance. Now is the time to work off those extra pounds accumulated over the holidays.

The Channel Lake A team won their basketball game against Oakland School of Antioch last Thursday night. The boys played an excellent game with the final score 44 to 36.

Otto Jungman has been working very hard for about a year getting his snow plane built for the ice derby. The derby came off but the snow plane didn't. Mr. Jungman lost his steering and had to give up before he got started. Mr. Jungman's wife, Myrna, is a teacher at the grade school.

Mrs. Marie Andrea and her three sons spent the past week visiting her parents, Martha and Loren Kimmy of Lake Ave. Mrs. Andrea, her husband, Frank, and children live in Chicago.

The speaker inter-com system has been installed in the grade school and is in good working order. This system has been purchased by the PTA with the help of the 1964 graduating class.

Mr. Orville (Pat) Clavey was the guest speaker at the PTA meeting last Wednesday evening. Mr. Clavey gave a wonderful speech on the ever rising juvenile delinquency problem. He then answered several questions from members of the audience. Next month the PTA will have its Founder's Month meeting. The PTA meets every third Wednesday of the month at 8 p.m. in the school gym.

Don't forget to vote Saturday for the Educational Tax raise, in the School Library. The polls will be open from noon until 7 p.m. There will be a meeting in the school gym Thursday evening at 7:30 p.m. for all persons in the district interested in the proposed referendum. Mr. Scott, principal of the school, will be there to answer your questions and give you information you may want to know.

Mrs. Ted Hucker is home from the hospital after gall bladder surgery.

DRIVING

Traffic Safety
by Charles F. Carpentier
Secretary of State

FROM AN ENGINEER'S VIEWPOINT

"What causes a driver to race a train to a crossing?" We were talking to the engineer of one of America's fastest passenger trains. "You should see some of the close finishes we observe from the engine," he told us. "There are two or three near misses on every run."

"On some days we are pretty well shaken up," he continued. "An engineer will carry the memory of a fatal accident with him to his grave. I can recall the exact details of my first one as if it had happened yesterday, although it was in 1921."

"Drivers don't realize what is involved in stopping a train. Eighteen hundred tons of steel roaring down the track at 80 mph cannot be handled like the family passenger car. An emergency stop requires from one-half mile to a mile; depending upon the track, grade, weather conditions and other factors. There is always a possible danger of derailing, and the passengers are shaken up by a panic stop. It costs the railroad many thousands of dollars to replace the wheels that are flattened."

"We will make every effort to keep from hitting a motor vehicle," said the engineer. "But at 90 miles an hour we have only a second or two in which to survey the situation and decide what to do. We can't push the panic button every time we see a car. In many cases there is no chance at all of stopping in time. We just have to sit there and hope."

Seeks Re-Election As States Attorney

Lake County State's Attorney Bruno W. Stanczak has announced he will seek the Republican nomination in the primary election April 14 and reelection to the post he has held since December, 1958. Stanczak, who is seeking his second, full, successive, elected term in office brings to the State's Attorney's office 30 years of public training and service.

He was justice of the peace for Waukegan Township for five years, North Chicago Police Magistrate for eight years and spent 12 years in the State's Attorney's office before assuming the top post in that office by a unanimous vote of the Lake County Board of Supervisors.

Says Old King Cole to the Queen, "Where is my gold inland spittoon? I miss it." And she replied: "You always did. That's why I did away with it."

One of the best ways to display a Christian spirit, is to yield the right of way in traffic. Failure to yield the right of way contributes to many traffic accidents.

To Run For State Senate

Competition for the Republican nomination for State Senator from the 82nd District was assured today with the announcement by Douglas A. MacGillis, Round Lake mayor and businessman, that he would be a candidate in the April 14 primary.

In announcing his candidacy the 36 year old MacGillis said, "I agreed to become a candidate for this office because many farmers, businessmen, and workingmen have indicated to me a growing dissatisfaction with the present representation in the State Senate for this district."

half and then lost the second half but managed to hold on for the slim one point margin.

Tyrone Walls, improving with every game, was the Sequoits' leading scorer, checking in with 11 points. Mike Sterbenz followed with 9 points.

The Sequoit preps had a cold night from the field, cashing only 14 of 47 attempts. Wauconda didn't fare much better, getting 10 of 42 tries.

Wrestlers Score 3rd Conference Win

The Sequoit wrestlers came through with their third victory of the season Friday by dumping Wauconda 31 to 18 and now have a conference record of 3-2-1.

Ralph Gaston, John Sebesta, Ray Peterson and Lonn Ipsen each added five points to their team's score by pinning their foes.

John Sheppard, Dave Miller, and Paul Lindblad won their respective matches on points and Jim Sheppard got a draw to add two points to the Sequoit total.

Lonn Ipsen is now 13 and 0 for the season to lead all Sequoits. He is followed in the Sequoits' standings by John Sebesta with 10-2-1 and Ray Peterson with 9-4.

Antioch wrestles Grayslake in the final match of the conference Saturday, January 25, at 2 p.m. Following the Grayslake match will be the conference tournament, Feb. 7 and 8.

Local Woman Attends Springfield Meeting

Mrs. Emmet King, Wadsworth, was among the 350 representatives to attend a meeting of the Illinois Health Improvement Association in Springfield on Jan. 15-16.

"Approximately 200,000 people now belong to the county 'HIA's' in Illinois," John Rahikomp, president of the association, said. "Their major activities are sponsorship of Blue Cross and Blue Shield under a special group plan for rural people; also the establishment of a Health Improvement Foundation, which will furnish scholarships and loans to worthy students in the fields of health science and health education."

Justin J. Alkonis of Bloomington, nationally known food technologist who has been active in helping to develop chemicals for coatings for foods for the astronauts, spoke on the subject of "Food for Survival."

This week marks the end of the first semester of the school year. Semester exams in all subjects except Physical Education will be given on Thursday and Friday. Tests in 1st to 4th period classes will be given Thursday, and 5th to 8th period classes will be tested Friday. Each examination period is one hour in length.

Le Nelson, a senior cheerleader, last week was named the winner of the DAR Citizenship Award. This award is given each year to an outstanding senior girl. Le, Paula Weis, and Barb Zenan were the three finalists chosen by the senior class in an election. The names of the finalists were then submitted to the teachers who picked the winner. Le's name will now be presented to a committee who will choose the Illinois State DAR Award winner.

At an awards ceremony last Sunday afternoon the three winners of the VFW "The Challenge of Citizenship" speech contest were presented with their awards. Contest winners were Jeff Ryan, first place; Stan Sutherland, second place; and Lloyd Pedersen, third place. Final awards presentation will be made some time in April at the high school.

The GAA is currently in their basketball season. Team captains are Lynette Murrie, Betty Liddle, Janie Miklauteh, Diane Miller, Virginia White, Jane Bonner, Linnea Christensen, and Linda Ladewig.

After upsetting Wauconda Friday night, the Sequoit varsity cagers dropped another close game to the Grayslake Rams. This was the fourth conference loss for Antioch, each by four points or less. Friday of this week the Sequoits will begin their "second time around" against the Lake Forest Scouts. On January 11 the Scouts defeated Antioch and the Sequoit squad is hoping for revenge.

Distinguished Visitor

Father Raymond M. Scullion, O. P., Associate National Director and Midwest Regional Director of the Holy Name Society, will celebrate the Holy Name Mass on Feb. 9. He will speak at the annual breakfast at Smart's Country House, and will initiate new members.

News of Women's Club

Mrs. Pat Mauch, program chairman of the Lindenhurst Women's Club, is planning a silent auction for the February 13 meeting. Members are asked to bring a "white elephant" or a baked item for the members to bid on.

She also is planning to celebrate the ladies' birthdays every month. Each month one of the birthday girls will receive a small gift. Since some of the women had birthdays in January, their names will be kept separate from the February names, so that they may have an equal opportunity to receive a present. Each lady who puts a penny for each year of her age in the birthday container, will be eligible.

For the March 12 meeting Mr. Arthur Nack, executive secretary of North Lake County branch of Family Service, will be the guest speaker.

At the Monday evening meeting of the Lake Villa Schools P.T.A., Miss Diepert, Physical Education instructor, directed a gymnastic display of somersaults, handstands and other physical fitness exercises by the students. It was obvious from the program that our school system has an adequate physical education program.

Before the meeting a bake sale was held. Parents were

saked to donate a specialty of theirs, and the monies raised from the sale went to the P.T.A. fund. Mrs. Jesse Fritchett was chairman of the bake sale. Mothers of the fifth grade students served refreshments.

One of the sad notes this week is the death of an unusual neighborhood pet. His name was Snooky, and he belonged to Ralph Rohweder. He didn't roam, but occasionally you might meet him with Ralph on his nightly outing along the lake shore. Unfortunately someone must have thought he was just an-

other wild animal. But why anyone would want to kill a cute, black-masked raccoon

is still a mystery. A raccoon is an unusual pet, and there are some everyday garbage can raiders around the lakefront, but it isn't a dangerous animal when left alone and other than messing up the garbage can hasn't been destructive. . . . but Snooky didn't even do that. We know Ralph will miss him and so will many of the children and adult kids that liked to see him around.

Bright
Ideas

If you're seeking the ultimate
in photo art, get a supply of color
film and stroll through the fall
foliage-land with camera loaded
and ready. On every hand the
splendor of the leaves offers in-
gredients for album masterpieces.
Chief among these might be a
shot from the heights, catching
the full panorama of the autumn
color spectacular. It is suggested
that an interesting shrub, rock
farmhouse or person be included
in the foreground to lend sharp-
ness to your results. Another spe-
cial film trophy can be obtained
by catching the sun's rays shi-
ning through a lattice-work of
leaves which produces an effect
of golden translucence. The pho-
tographer is warned against allow-
ing the sun to shine directly into
the lens. A lens hood comes in
handy here.

If you live in a two-story house,
never go up or down the stairs
merely to put something away.
Leave it on the bottom or top
step and wait till you make the
next important trip. Then take it
along with you.

Few people realize the advan-
tages of fall travel. And that in
itself is one of the advantages.
Fall travelers have the benefit of
uncrowded transportation and ac-
commodations, and, best of all,
pleasant weather. Every autumn
brings a series of mild, clear days
that are perfect for fun and re-
laxation. For things to do, see,
and photograph, no season is
more brilliant than early fall,
when nature is at its peak of color.
Travel by bus is the most casual,
carefree way of reaching your
vacation destination. Before plan-
ning your fall trip, consult your
local Trailways travel agent. He
will give you helpful suggestions
on where to go and how to get
there at money-saving prices.

Night School

Registration for the second
semester of the Carthage Col-
lege evening school will be
held January 27 with 47
courses offered in 14 areas,
about the same number as in
the first semester.
A variation in the registra-
tion process is a change in
place. Students will sign up
for their courses in the Lake-
view Dining Room in the Col-
lege Center at the south
end of the campus instead of
in the library in the main
building. Hours will be

when she entertained at a
neighborhood luncheon party
on January 17.

Mrs. Effie Nelson, Antioch,
celebrated her 82nd birthday
with a family dinner party
at her home on Saturday,
January 18. Except for Mrs.
Myrtle Huffendick, of Chi-

School, son of Mr. and Mrs.
Ed Jahneke, Beach Grove,
took third place in a large
high school swimming meet,
held in Ottawa, Ill., on Satur-
day, Jan. 18. Afterwards, he
participated in a diving ex-
hibition. However, he se-
verely injured his shoulder in
his last dive, a back jack-
knife flip. He also received
an award for his swimming
the 400 yard relay in Spring-
field on Friday, Jan. 17.

ANTIOCH METHODIST
CHURCH NEWS
By Del Jahneke

The Methodist Youth Fel-
lowship (MYF) of the Antioch
Methodist Church are having
a public spaghetti supper,
starting at 5:30 p.m., until
7:30 p.m. held in Wesley Hall,
Antioch Methodist Church, on
Saturday, Jan. 25. The MYF
are sponsoring the care of
an East Indian child, and the
proceeds of this supper will
be used for that purpose.

A family pot luck was held
at the Antioch Methodist
Church on Sunday, Jan. 19.
An appropriate ceremony
was held, honoring the 25th
anniversary of the Women's
Society of Christian Service.
(W.S.C.S.)

If you find yourself going
into a skid, cautions the Chi-
cago Motor Club, avoid jam-
ming on the brakes. Instead,
turn in the direction of the
skid to regain steering con-
trol. When you want to stop
safely on icy pavement,
pump your brakes lightly.
